The 2025 Crow Wing County disposal guide has been mailed to Crow Wing County property owners who are assessed a \$25 Solid Waste fee. The guide covers hours of operation, what items are accepted at the landfill, fee schedule, recycling, and household hazardous waste programs, and includes a \$20 coupon. The coupon can be applied towards any service at the landfill.

- Limited to one coupon per load
- No change will be given.
- Coupon is not redeemable for cash.
- Cannot be applied to payments on charge accounts.

The new Crow Wing County Recycling Center located at the landfill site is your One-Stop-Drop for all your recycling and hazardous waste disposal needs. Crow Wing County sponsors two recycling drop sites that are available for use to all County residents.

- Crow Wing County Landfill
  - 15728 State Highway 210, Brainerd
- Ideal Township Transfer Station
  - 33503 West Island Lake Drive, Pequot Lakes

Crow Wing County continues to exceed the state minimum recycling rate of 35%. Overall, just over 500 tons of household recycling materials were recycled through the County Recycling Program at our drop sites, and almost 2,500 tons through the curbside recycling programs last year. "We are meeting the state standards, enhancing recycling efforts, and minimizing the waste sent to our landfill. Local businesses participate in programs such as Food to People, textile recycling, and deconstruction re-use, which kept 2,586 tons of materials out of the landfill in 2024" stated Jessica Shea, Crow Wing County Operations Manager.

The Landfill and Recycling Center is open Monday to Friday from 8:00 AM to 4:30 PM. Starting May 1st through October 31st, it will also be open on Saturdays from 8:00 AM to 12:00 PM.
