the Minnesota Missing and Unidentified Persons Clearinghouse, and the Minnesota Crime Alert Network.

### **316.2 POLICY**

The Crow Wing County Sheriff's Office does not consider any report of a missing person to be routine and assumes that the missing person requires immediate assistance until an investigation reveals otherwise. Priority shall be given to missing person cases over property-related cases. Members will initiate an investigation into all reports of missing persons, regardless of the length of time the person has been missing.

### **316.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS**

The Investigation Unit supervisor shall ensure the following forms and kits are developed and available:

- Missing person report form
- [Missing person investigation checklist](#) that provides investigation guidelines and resources that could be helpful in the early hours of a missing person investigation
- Medical records release form
- Biological sample collection kits

### **316.4 ACCEPTANCE OF REPORTS**

Any member encountering a person who wishes to report a missing person or runaway shall render assistance without delay. This can be accomplished by accepting the report via telephone or in-person and initiating the investigation. Those members who do not take such reports or who are unable to give immediate assistance shall promptly dispatch or alert a member who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides, or any question of jurisdiction (Minn. Stat. § 299C.53, Subd.1(a)).

### **316.5 INITIAL INVESTIGATION**

Deputies or other members conducting the initial investigation of a missing person should take the following investigative actions as applicable:

- (a) Respond to a dispatched call as soon as practicable. Obtain a detailed description of the missing person, as well as a description of any related vehicle and/or abductor.
- (b) Interview the reporting party and any witnesses to determine whether the person qualifies as a missing person and, if so, whether the person may be endangered (Minn. Stat. § 299C.53, Subd. 1(b)). Interviews should be conducted separately, if practicable.
- (c) Consult with the Bureau of Criminal Apprehension (BCA) if the person is determined to be an endangered missing person (Minn. Stat. § 299C.53, Subd. 1(b)).

- (g) Broadcast an "Attempt to Locate" (ATL) or similar alert if the person is under 18 years of age or there is evidence that the missing person is endangered. The alert should be broadcast as soon as practicable but in no event, more than one hour after determining the missing person is under 18 years of age or may be endangered.
- (h) Relay known details to all on-duty personnel as well as other local or surrounding law enforcement agencies using local and state databases.

If the information relates to an endangered missing person, the member should contact a supervisor and proceed with reasonable steps to locate the missing person.
- (n) Implement multi-jurisdictional coordination/mutual aid plan as appropriate such as when:
